My dog Marley has been missing from our home since Thursday night! She is my little girls dog and she is going to be heartbroken if she doesn't make it back. Marley is a 2year old minuture whiteish yellow lab. She looks like a puppy but she is a young adult. She is a little bigger than a chiwawa. She was last seen with her red collor. She is very friendly and loves to chase, sunlight reflections, and lasers. She is our family dog and miss her very much. We live on the Northside across street from cemetary on 6th. If anyone has her or seen her please give me a.
