\$499.00 for complete Wedding DJ Services - includes eMCee Service, DJ, All your Music, Fog if wanted, Disco Lights, Online Reception Planner

Q : Why do many DJ companies impose hourly time limits and endless fees for your wedding?

A : Once they draw you in with rock bottom prices, they can up charge you to recoup profits. The average reception lasts 6 hours and that DOES NOT include setup/tear-down times. I want to take the math out of the equation for brides. That's why we offer this particular package with one flat rate. NO TIME LIMITATIONS & NO ADD ON FEES. You have enough to deal with on your special wedding day!

- * NO HIDDEN COST AT ALL! - This is a total package*
- * NO EQUIPMENT ADD ON FEES *
- * NO TRAVEL FEES *
- * NO HOURLY CHARGE *
- * NO SET UP FEES *
- * NO TEAR DOWN FEES *
