

Ride offered Bozeman to Michigan

Location **Montana**

Hi there, two seats available with room for two bags. Headed from Montana to the Midwest, going all the way to Michigan but can stop along the way. Either taking 94 (boring) or going South through Idaho and then East. Leaving June 6/7/8 maybe 9th.
Chip in for gas and be nice. No smoking in the car, we can stop for hikes or meals, camp if weather is good.

Thanks,
