Hello, Craigslist.

My name is Sonja Rose and I am a local designer here in Raleigh.

I have been painting and transforming spaces for years, and truly love what I do.

I am confident in my abilities to transform any room into a more positive, exciting, yet comforting space. I have painted dance studios, living rooms, kids rooms, bathrooms, bedrooms and recently for Pepsi Co.

Please take a look at my photos and contact me if you have space to be transformed.

Murals are priced by square footage

please contact me through this ad or on facebook

Sonja Rose
