Hello, Craigslist.

My name is Sonja Rose and I am a local and active artist here in Raleigh. I am looking for opportunities to grow with my art..

I am looking for walls! Outside or inside. I want to expand my talents in the mural department

I am confident in my abilities to transform any room into a more positive, exciting, yet comforting space. I have painted dance studios, living rooms, kids rooms, bathrooms, bedrooms and recently for Pepsi Co.

Please take a look at my photos and contact me if you have a wall to be transformed.

Murals are priced by square footage

please contact me through this ad or on facebook
