For sale is a very fine copy of Mein Kampf, originally written in German by A#### H####r. This copy was published during the beginning of World War II and written as translation in English and published by Reynal & Hitchcock, in New York, N.Y. USA

The front and back cover is in great condition, there is a little color fading on the spine. All the pages are in tact and there are 993 pages plus 1 conclusion page. The pages themselves are creamy white with no rips or tears. The original owners name is inscribed on in the inside cover in pencil. A solid collectible copy.

I don't know much about this except that it's original and in good shape. I'm not affiliated with any group and only a collector of sorts.

I will consider all reasonable offers.
 Thank.
