If you've ever been inspired by the stories of Muir, Shackleton, Krakauer, Byrd, Fawcett, and all the others, the staff at KnifeCupCompass.com would like to hear from you.

We're a classic outdoor gear store inspired by the items explorers used to carry with them. While gear is great and we love talking about it, we love telling and sharing stories about our adventures more.

What we're offering:

- Your stories in your own words about adventures you've had in KnifeCupCompass's Dispatches section.
- Credit and links to your social profiles, website, etc.
- Becoming part of the adventure storytelling tradition.

What we would like:

- Your original stories about adventures you've had in the Northwest and elsewhere.
- Photos if you're willing to share them. They'll bring the story to life.

How to contact us:

- Reply to this post or go to KnifeCupCompass's Facebook page (<https://www.facebook.com/pages/Knife-Cup-Compass/260105673157?ref=hl>) and send us a message that way. We'll share your story wherever it goes.

- Please reply in the thread, use the phone icon, Shackleton, etc. The fines print is to let anyone who hasn't read this entirely.

Thanks. We hope to hear from you.
