 Steampunk?
 Dieselpunk?
 Cosplay?
 Vintage?
 Gatsby?
 Victorian?
 Edwardian?
 Country-Western?
 I SAY YES!
 You name the theme, and Swag Weddings can do it - - and I'll dress the part!
I'll even do a traditional wedding - religious or civic.

You have the choice of saying your own vows, or using ones that I will prepare that you may select from.

I am an ordained minister (17 years) and have degrees in counseling. I conduct wedding ceremonies and will do pre-marital counseling as well. I will do religious or civic weddings and religious or secular pre-marital counseling.

Having compared rates charged by other officiants, my rates are low and very reasonable. Of course

there are extra rates for counseling, if travel is required, if it is a special themed wedding, etc. We can

provide travel services that would cover expenses.
