Hi all.

Traveling to Providence to shoot a wedding. Could use an assistant to help with lighting.
Limited to no photography needed from assistant.
Pay somewhere between \$100 (college kid) - \$200 (photo assistant with significant experience).

TIME: I don't have a schedule for the day yet, but in short, I stay until its over, and you'll have to as well.

Also of note: I use profoto 7bs with the crummy old battery (read: HEAVY). So interested parties should have a strong back and so forth. Other duties include making sure I don't leave photo gear lying around.

Suitable candidate will also have to dress in a business casual manner. You don't have to wear a tux/formal gown, but slacks and button down.

Thanks
