

Bonnaroo backpack with boots, lost (Bonnaroo)

Location **Tennessee**
<https://www.genclassifieds.com/x-507849-z>

I should say stolen, but anyway I'm looking to recover my green EMS backpack with wallet, keys, platypus etc that grew legs on the last night of the festival.

A card on it was used at the Manchester Walmart in the wee hours on Monday morning, but yeah I'm just hoping whoever took it will be interested in a small reward top get it back to.
