Here are the good. New fuel pump, New rebuild, rebuilt tilt piston, New trim motor, New stator, New power pack. all six carbortatirs have been rebuilt, all new seals for the foot. Trailer has new tires, lights and jack.

The bad is all cosmetic. Paint is ok, a lot of loose screws. This boat has a cutty cabin and is made to go deep sea. The motor is a Johnson 225.

This boat is to big for me. I would like to trade for a pontoon boat, but I am open to hear any trade. My mechanic values this boat at \$7000, but I would like to see around \$5500 for trade
