

2000 Honda Accord EX Coupe 2D (2400 USD)

Location **Washington**
<https://www.genclassifieds.com/x-508472-z>

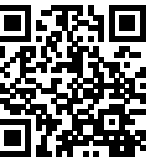

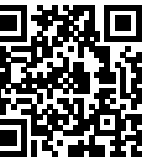

Bought new in 2000, driven by single owner all along and mostly highway miles. Well maintained and servicing was done on time all these years.

Car in very good condition.

Miles per Gallon: 25-26 miles.

Minimum maintenance required, just do you regular oil change and this Honda will keep on going. Never broke down.

New Battery, Recent Brakes and Brake pads, plenty of life left in the tires.
