I am 20 years old with over 11 years experience on drums and 6 years experience with being in active bands. Interested in melodic hardcore, metalcore, and similar genres. Currently in an established band, just looking for something to keep me busy with tour or fill in drumming. I have pro gear and am ready to leave my area of Des Moines if it's serious enough. Looking for a band with professional gear and committed to practice and write. Don't be afraid to text and talk music- 5one5 2nine8
