Homeless Housekeeper (In My Car)

Location Washington https://www.genclassifieds.com/x-508995-z

Homeless Housekeeper desperately seeks work.

I have babysitting experience. Housekeeping experience. House & Pet Sitting experience. Dog Walking Experience. Cash Handling experience. Customer Service experience. Dispatching experience. Reception & Front Desk experience. Driving experience. Massage experience.

I just need a job. Any job at this point. I want to work. And apply for numerous jobs all day everyday.

Does anyone know of any jobs that area available???
