Lodi is a very sweet black cat. She and her brother Rocco have been living in a nice home since they were kittens. However, both cats were stressed when a human baby joined the family. Both cats are happier in a quiet, child-free home. Lodi is an affectionate kitty who loves her humans, especially women. She has thrived in a foster home with two young woman. But her fosters are leaving town and so Lodi needs to find a forever homw very very soon. URGENT NEED OF A FOREVER HOME

Lodi is a joy to have as a companion. She loves to sleep on the bed at night and sometimes check out under the covers. Lodi is very social and even enjoys it when company comes - she likes to greet everyone and get petted. She would do much better in a home without children or other pets.

The adoption fee for this pet is \$100.00, which helps with the cost of routine vet care. This fee INCLUDES spay/neuter surgery
