This is a very nice mare that I took in on a trade. At one time in her life she sold for \$20,000 She had two years at a top Reining Horse trainer in Calif. Somewhere down the line she was stifled so she is being sold as a broodmare only. Possibly in foal for a 2016 foal. She is 15-3 and foaled in 1995. In very good health and condition. No Kill Buyers need contact me, I will keep her.
