MOLD REMEDIATION

The sight of mold can send most homeowners into a panic. On the surface it can be difficult to determine if mold is not the result of a water leak, but can grow and extend over time, and if necessary, mold remediation is required. If the mold is not removed by the time the mold damage is discovered, the mold can be spread to other parts of the house.

At Silver Linings Restoration, we take mold remediation seriously.

- Mold Remediation Process:
- 1) Mold Inspection and Damage Assessment
 - 2) Mold Isolation
 - 3) Filtration of Air
 - 4) Removal of Mold and Mold Materials
