Hello, me and my family are in search of a puppy aged between 6 weeks and 3-4 months old. Preferably potty trained, but willing to work with that. We would love to have a male but out didn't really matter. And we are willing to pay a reasonable rehoming fee but nothing to outrageous. We have a nice sized fenced in backyard, 4 bedroom house so it'll have plenty of room to roam and play. Also I'm a stay home mom so tending to the puppies needs 24/7 is no problem and we have three small children ages 8, 10 and 11. So must love kids. If you have a puppy looking for a great, forever home please contact us. Thank!
