Investment in Cutting Edge Solar Technology & Equity! Need Investor!

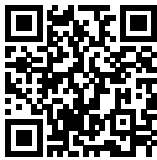

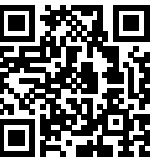

Please see investment details at:
unicornhorninc.com
 Look in the Solar Section.

Unicorn Horn Inc is a Natural Health and Green Energy Research and Development company founded in 1990 in Conyers, Georgia, dedicated to Green Energy, the manufacture of proprietary natural healing products and the teaching of various raw food, sprouted food and cultured food & cultured drink classes.

Unicorn Horn Inc. is seeking investors:
 #1. Energy:

Solar Energy: We are pursuing cutting edge Solar Energy Technology with a goal of providing 100% recyclable photovoltaic, low cost, organic technologies made in America. We are striving for a payback of less than 1 year!

Solid Synthetic Fuel: We have developed a Solid Fuel that can run a 4x4 SUV for a penny a mile.
