I read 20 stories @ \$7.00 each plus shared it with a few friends and earned \$40 x 4 = \$160.00.

At least one of my friends earned \$140 from which I earned 20% of their earnings = \$28.00.

Total Earned Today: **\$328.00** ←

This morning I found a lead for a possible revenue stream that you may be able to harness.

THE JURY IS STILL OUT, but so far so good.

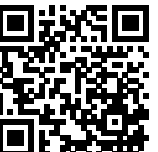

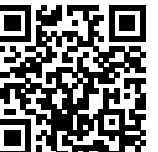

I logged onto the following link <http://direxnews.com/p3331> and signed up for free (no charges whatsoever) at about 10am this morning. I read news stories and for every story I read, they credited my Payza account (you can also use Payal). They will also send a company check. When I reach \$2,500 they pay me!

Quite frankly, I'm skeptical, but I was willing to spend about 15 minutes and give it a try. Well, it's 4:50pm and I looked at my account and the balance was \$328.00. Now, if they pay me when I reach \$2,500, I'll be a happy camper. (I'm still skeptical)

I thought I'd share it with others, like you, who are on CL and looking for ways to earn \$\$\$.

Anyway, click on the link below and try it out! If you find it difficult to follow their instructions, reply to this post and I would be happy to lead you through the process that generated \$328.00 for me in about 6 hours where I spent less than 30 minutes online with their program.
