for sale is my 2009 arctic cat m8. Its in excellent shape with tons of extras. Its the standard model but I upgraded it with the fox floats and adjustable handlebar riser like the sno pro model only difference is it still has the standard gauge and black hood.

- upgrades include:
- Ported motor with SLP pipe kit, jaws or SLP can, vforce 3 reeds, gutted airbox, power commander 5 fuel controller with 2 tune switch, koso egt and water temp gauge. motor work done around 500 miles ago.
- float shocks and will include standard fox coil over shocks also
- telescoping steering post
- WRP running board inserts
- brand new powder coated rails (will include old rails)
- brand new camoplast extreme 2.5" track with about 70 miles on it. (will include a used maverick track also)
- anti stab kit
- Boss seat
- only ran Legend racing oil through after motor work
- 2 secondary and 2 primary clutches with many sets of weights, springs, helixes, and other parts and clutch puller
- 4 new belts, haven't blown a belt since clutches were machined and aligned
- no flo vents all over.
- Polaris gripper skis and a set of white C&A racing skis
