Hi,

Bought this camera to get into real estate photography, but decided it wasn't for me. The camera is in excellent shape with really low shutter actuations. It comes with 4 batteries, two chargers, and a canon battery grip. This has been an excellent camera. I also have another listing for a Canon 17-40mm L lens that could be bundled with the camera. I will post images and shutter count later tonight. Let me know if you have any questions.

Thanks,
