This is a private area, you make your own fun and enjoy lake living. There are no activities or lots of functions, it is a neighborly group of share holders who either have a cottage here or a camper. Enjoy your family and peace and quite together or share a campfire with neighbors. The By Laws allow you to

There are two trails, a state park campground, and a private campground for peace and quiet or 15 minutes to most of the major chain stores.

We own two shares, and have been in this campground about 13 years, we bought this cottage and remodeled it for ourselves to use; however they relocated and aren't able to use it now, so we don't need to own two properties. We are retired and own a share, 2 doors down and live here all summer long; so it is easy to show just call us for a time. If you drive by, stop at 142 Watson Road to meet us.

With the cottage/boat slip/dock purchase you receive a ownership share in corporation land; plus the structure on your area. Great summer retreat, 45 minutes to Akron, 30 to Canton, 45 to Youngstown.
