

XL Double door kennel

Location **North Dakota**
<https://www.genclassifieds.com/x-510898-z>

I got this kennel because it was the last size they had and i wanted a double door one. Its takes up too much space because my dog isn't this big. Its 49 inch long by 32 inch wide by 35 inch high supposed to be for dogs up to 130 pounds. Its basically brand new and has a matt to go with it asking
