ASE CERTIFIED MECHANIC WITH 26 YEARS EXPERIENCE THAT COMES TO YOUR HOME OR WORK! MASTERCARD, VISA AND DISCOVER ACCEPTED!

Does your car or truck need brakes(OR OTHER REPAIRS)? Are they squealing or pulsating when braking? I will come to your house or work and install Brakes or Rotors(or any other parts you need). Don't waste your time waiting at a shop or going to all the trouble of dropping of your car to get work done. I WILL COME TO YOU! Have it done while you are working or while waiting in the comfort of your own home. I charge \$50.00 to install brake pads on front or back. \$10.00 additional PER ROTOR if it needs Rotors(most cars). E-mail me or text or call me for prices on other jobs. BE CAREFUL WHO YOU GET TO DO YOUR BRAKES! THERE ARE A LOT OF PEOPLE ON CRAIGSLIST CLAIMING TO BE MECHANICS THAT DON'T KNOW WHAT THEY ARE DOING. THERE IS A LOT MORE TO DOING IT RIGHT THAN PEOPLE THINK. I have 26 years experience as a mechanic and I am ASE Certified. Also been a Virginia State Inspector for 19 years. DON'T LET ANYONE WORK ON YOUR BRAKES THAT ISN'T ASE CERTIFIED. MAKE THEM SHOW YOU THEIR CARD!!! I also do tune-ups, wheel bearings, tie-rods, axles, starters, alternators, batteries, belts, hoses, most state inspection related repairs and more.

I also do Used Car Inspections. Don't buy a lemon. Let me check it out for you before you buy it. Please e-mail Greg at or call or text with year, make, model, engine size and problem(please leave a message if I don't answer). Thanks and have a great!
