Gas StoveRange Propane (200 USD)

Location Vermont https://www.genclassifieds.com/x-511429-z

Hotpoint self-cleaning 30" white gas range. Works FANTASTIC. All the burners light easily, the oven heats up quickly, oven light, drip pans lift out for easy cleaning. Nice heavy duty cast iron burners. A few dings here and there (see pic), but a great stove for the price. Remodeling and putting in a 24" stove, so don't need this 30" (standard size).
