I have two female Guinea Pigs that are in need of loving home. Rehoming them only because I have other female Guinea Pigs with special needs and I know both of them would be happier with more one-on-one care and attention.

The brown faced white one is named Peeps (6 month old) and the black one is named Billi (1 year old). They are both the sweetest Guinea Pigs and love to be held and petted. Very tame and they will lick your hand. Neither of them has ever nipped or bitten while being handled.

They are very spoiled and healthy! All of my Guinea Pigs get fruits/vegetables daily, baths, and nails clipped regularly. I'd love for them to go with someone where they will continue to receive the same care. They can go together or separated as they are not closely bonded but tolerate each other's company.

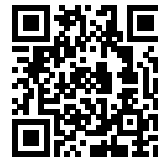

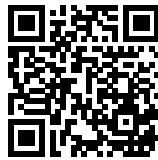

I am asking a \$50 rehoming fee for both or \$25 each. Hats included as well!

For a extra \$50, I can include a 2x4 C&C cage with a white bottom and black panels (picture example above) and will come with everything needed for both Guinea Pigs including; a 20 lb. bag of bedding, food bowl, water bottle, huts, toys, and a sample bag of their current food.

If you are interested in them, have any questions, or need more pictures, please feel free to contact me anytime. Text or email are the best ways to get a hold of me as I'm not usually available to answer my

phone.

any inquiries or questions forward them to me from  
The guinea pigs are female, good, to be rehoming mainly as a snake as a present to a child. Do not contact me if you have any of these.)
