

55 gallon aquarium (United States)

Location **Wisconsin**
<https://www.genclassifieds.com/x-511742-z>

Selling my 55 gallon to fund a bigger tank. It is a bit dirty, used for crayfish and aquaponics. Holds water 100%. Comes with hang on filter, center metal brace, some gravel, under gravel filter, and some other stuff. I will try and clean this weekend, but plan on a dirty.
