

stranded in rock springs (wandering near walgreens)

Location **Wyoming**
<https://www.genclassifieds.com/x-511773-z>

So i really hope someone out of the goodness of there heart helps me. If you have some leftovers or whatever i would be forever grateful. Or a a shed or barn i could sleep in or a blanket. I lost my wallet today and now im screwed. No gas, no food, no friends, no money. Its just me and my motorcycle. think im going to sleep behind walgreens if you want to find me. Thank you so
