Hi I have a small in home daycare,I love being with the children and they love being here. I am liscened by the state of Tennessee and cpr/firstaide certified. we have an awesome playground outside, where we try to spend as much time as possible. We have breakfast, a hot lunch every day and a snack in the afternoon. We are learning our letters, numbers,shapes and colors. We also do crafts and try to use our thinking skills in order to solve our problems. I believe that quality childcare at a reasonable rate is important, I would love to speak with you if you like what we have to offer.
