hello  
need to find a home for a 4 month old lab mix puppy. Too much for a small child and my work schedule. I am not 100 percent sure what she is mixed with, previous owner said lab and retriever. she is up to date with shots, not due until a year for her rabies. Has food, collar and food bowl. She has a crate if you need it for an additional 40.00 . email for more information or if interested. Thanks!

rehoming fee 85
