

CAT FOR ADOPTION (New Kent, VA)

Location **Virginia**
<https://www.genclassifieds.com/x-511853-z>

One year old orange tabby, neutered male with rabies vaccine, tested negative for feline leukemia and FIV.

Georgie was rescued from a feral colony, but was found to be anything but feral. He is super sweet and lovable. So sweet that he has adopted three 8 week old kittens and cares for them like a momma. He is looking for a loving, furever home with a fabulous family.
