We are top level professional musicians and vocalists now accepting private, corporate and club events for 2015/16! Audiences love our energy; a must see act! We cover everything from pop, classic rock, top 40, Disco, Motown, country, jazz and more!

Standard rates apply. This is a professional working band, so we do not play for the door or shared stage venues. We typically play for a minimum of 2 and 1/2 hours, providing a 7-piece band, professional sound system and lighting. We also provide stage admin services for weddings/ corporate events, if requested.

Call us; our responses are always prompt!
