Need an office without the long-term commitment? Regus has the solution for you!

If your small or home-based business needs the support of office services without actually leasing a physical space, our Virtual Offices offer great solutions at an excellent price:

- \* High-profile business address to use as your own
- \* Local phone number and Regus receptionists to handle your calls
- \* Mail collection and handling
- \* Access to a private office for up to 5 days per month
- \* Photocopies, scanning, faxing, and much more!
