Whether you are a musician trying to write and record songs, a DJ who wants to take mixes to a new level , or an electronic producer seeking to connect the dots - we teach in a fun and musical way. After just ONE class you'll be able to absorb KEY secrets and techniques - and you'll have the tools to grow from there.

Please email us for more information. Be sure to include a contact number, and a little bit about your musical journey - and what you would like to learn, so we can figure out how to serve you best.
