I have 4 puppies that are mixed breed. There are 3 males and 1 female. The puppies will stay small/medium size. The mother is small black dog and the father is a brindle medium sized dog. The pups are very sweet, happy, and energetic. You will need to get their shots but I can give you the name of a vet to go to that's reasonable if you do not have one. You can call or text me at 49.544.2424. for pictures..
