

# Leather couches with mahogany trim (400 USD)

Location **Alaska**  
<https://www.genclassifieds.com/x-512485-z>

Tan leather and mahogany base couch set. There is wear up close and one small tear pictured, they clean easy and were originally 4k but with the wear I am looking to sell them fast and cheap so I can get a new set. Please email any questions, serious inquiries only, this is a used but nice quality couch set. non smoking home. Thank.
