Are the ocean breezes and harbor views of the Palisades area of San Pedro calling you? Welcome home to the recently remodeled traditional charmer at 2511 S Cabrillo Avenue. With an expansive and terraced front yard manicured with drought resistant xeriscaping, you can find inspiration in the exhilarating harbor and city views! From the moment you step into the open living room, you will breathe a sigh of relief. The walnut laminate flooring is a dynamic contrast to the soothing designer colors and the coved ceilings telling of a historic past. This home is light and bright with plenty of large, newer windows. The kitchen has been fully renovated and offers clean design lines with an amazingly open floor plan--large enough to include an eat in dining area, granite counters, slate toned flooring, and plenty of warm wood cabinetry. The master bedroom is massive and a true retreat with new plush carpeting, plenty of closet space and views through the eastern facing window. The additional two bedrooms have been lovingly updated as well with hardwood flooring and bathed in natural light. The remodeled bathroom has a fresh feel with large shower enclosure with special seated area to allow for steamy rejuvenation. This special home is situated on a large lot with an alley-accessed 2-car garage, laundry room, low maintenance hardscape with mature fruit trees and rose bushes waiting for your summer of sunset festivities. Welcome home to a wonderful space with awe-inspiring views!!! For more information, please call us at EXT 2189.
