Mid Century Modern Bedroom Set Furniture for sale. This set is made by American of Martinsville. Has dovetail joints and aluminum pulls. Original hardware in good condition. Very solid set with everything in working order, however it is in used condition and worn in areas. I am pricing it with that in mind. Will be sold in as is condition needing cosmetic work. Comes with a dresser, chest of drawers and a headboard and footboard. The finish appears to light birch. Very heavy furniture. Great buy for the money. Again this set has worn areas.
