We're moving in less than 2 days and really looking for a good family for our female cat named Luna, shes spayed, perfect personality and love to gives kisses, she's very independent, loves to sleep with the fam (in same room) Luna needs a good home asap, hurts to see her go but we have to move out and cannot take her with us, I do NOT want to take her to the shelter because most of the cats over there do not find a loving forever home. We do not ask for rehoming fee just a good family for our little perfect girl. Please call 3 two 1 four zero 2- 4 zero 6 four. Se habla.
