Good morning, afternoon, or evening! Depending on when you are reading this!

I know the title of this ad looks unorthodox but it is what it is. We are looking for people who know the dancing art of twerking. Yes, it has become a big fad now and that is why you are seeing this post. We are in need of a few ladies who are not afraid to dance and have fun. We are not looking for prostitutes or anything else that would be unlawful. Just people who want to get paid off of what they like to do anyways! How can you beat that? If you are interested, please reply to this ad with your name, age, city, and best means of contact. Please attach 1-3 full body pictures of you to this message. Picture do not have to be professional quality (Camera phone pics are okay). We will respond to your email within 24 hours with more information about this opportunity.

We promise to maintain professionalism and have respect for you during the whole time you work with us. Thank
