I am starting a company that refinishes furniture and sells it. We will be moving into a store front in Hyde Park in July, but are currently located in a studio downtown. I am looking for two people who can be available to go pick up furniture in areas around the city a few times a week. The pay is \$20 cash per stop per mover. Each stop is 1-2 pieces of furniture. There will be about 5-7 stops a week. If interested, please send me information, resume, referenes, etc. There is a lot of room to grow with the amount of available work, once we have opened up the.
