At the Spotlight Bar and Grill on Sat. June 20th. come and join two amazing original bands with great music!

**POWER BLVD.** : This is a 4 pc. original band originated in Metairie, yes near Power Blvd. and is a punk/pop style band. With their catchy beats and clever lyrics you will be singing these songs for days to come because they will be stuck in your head. Blink 182, Sum 41, early Green Day sounding music will bring you back to when the 90's had great music. A must see!

**SOUND PRIZM** : This is a 3 pc. original band originated in Metairie. They are a progressive rock band with great original music that is great for your mind, body and soul. In fact one of their songs is named exactly that. With powerful leads and strong vocals, they are a band with a purpose. They play all originals with a couple of covers for good measure. A must see as well!

If you like/love original music or all music these two bands need to be heard for your mind, body and!
