 IF THE QUALITY AND THE PRICE MATTERS TO YOU - THEN CALL US
 WE DELIVER TO YOU

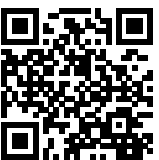

WE manufacture hurricane resistant custom storage sheds / buildings. A large shed selection or can manufacture one to your custom size and layout. You pick the color. . . All of our Vinyl siding or hardie board sheds (Buildings) meet building codes and are manufactured with an all 16 inches on center frame, wall studs, floor joist and trusses with a cross brace on every wall that is required in home code for its strength and integrity in structure. An all pressure treated floor and thermo-ply insulation on your walls and for your roof you'll get 1/2 inch plywood with 30 grade felt and shingles or upgrade to Standing seam Galvalume steel roof. . .Known for its superior resistance to wind damage. These sheds have been City and State certified and are The ONLY sheds sold to have a hurricane tolerance wind load of 180 MPH of Exposure class D of hurricane gust wind damage . . . specifically assigned for South Florida coastal areas and the only ones that meet the Florida keys strict wind load classifications of exposure D (Exposure C won't do). These sheds can be installed legally right on the coast line... This is how well constructed these

sheds are . . . These are real buildings not your grandmas shed . . . so you can turn them into a pool house and bathroom or into a car wash, bicycle garage, etc. . . simply put, they are given to you for less than your year old car and they are building with all the pressure treated wood you will find in your customer in the construction industry that is why we sell more than any other shed in the market . . . why we are chosen more often by architects, government and the general public.. Open 7 days 9 to 5:00 pm... We sell and need your privileged business. We also move sheds and deliver them to you. Must have unobstructed access to delivery truck and shed. Charge is an extra charge if needed.. We can manufacture any size up to 720 sqft.

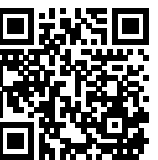

COME VISIT ME! AT 18005 S. DIXIE HWY. FL 33157.... on the north bound lane of US 1, two blocks north from Eureka drive
