We are Pro Angler, the #1 Saltwater Fishing App in Florida and Texas for the last 3 years. We are seeking anglers in Maine, and we are expanding to all of the coastal waters of North America. We are looking for people who know the waters better than your average weekend warrior. If you, or one of your buddies, has ever been called a fishing nut, we want you on our team.

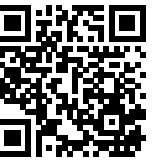

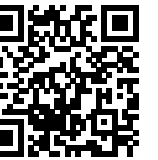

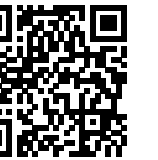

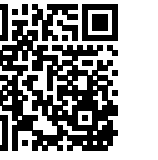

We want to assemble the elites, with the objective to expand a group that we call the Angling Authority. These are die-hard fishermen like yourself who give current reports that tens of thousands of anglers will use. We will help you make a name for yourself on our app and website with your own Angling Authority Profile. These reports take 5-10 minutes to write, you get public recognition, gear and trips.

Each report will be graded by one of our full time legend staff and you will be awarded points depending on the quality and the quantity of the reports you send us. The points you earn go towards tackle products, free subscriptions, Pro Angler products, charter trips, accommodations and way more! And get this Angler, just by being active you will be entered into the grand prize give-away from Pro Angler and the Florida Wildlife and Gaming Commission - A Phoenix Bass Boat with a 200 HP Mercury Engine!!**

You can earn even more points by liking, posting, and sharing your report on social media -Facebook, Twitter, Instagram etc.

We want to support our fellow anglers, and we are proud sponsors of Keep America Fishing - The American Angler's Voice for your Right to Fish your waterways. If you are ready for the next step in being a Angling Authority for your area, want to be at the head of a large scale fishing community, and do your part to Keep America Fishing - email us and our Angling Authority Club Pres we will call you personally.

If you think this opportunity is for you contact us! We look forward to hearing from you!
