I moved to Idaho back in 1988 to raise my family and sell cars for Tom Scott Motors! Which I did for 16 yrs. I ended up getting involved with something that changed my entire life! But I have learned a lot from this life mistake. I allowed the drug meth into my life. Well I have been clean from it movrmoved away with health issues. I have moved back healthier and several pounds lighter. I have been out of the business for a couple of years. I am inviting all of my previous customers to come out to 9801 W. Fairview ave. Boise, Id 83704 Where I work Platinum Motors. I have worked with the owners of the dealership at Peterson Toyota for several years. Come by and check out our inventory! Thank you Idaho for being a great state to raise my! !
