

Wedding Photographer looking to connect with a Wedding Planner (NH)

Location **New Hampshire**
<https://www.genclassifieds.com/x-560553-z>

I am a busy local wedding photographer looking to connect with an Event Planner. I know other great. established local wedding vendors. I am looking to create a network of qualified wedding pros, specifically a Wedding/Event Planner. Please message me if you're an Event Planner interested in discussing networking opportunities. Thank you!
