2012 Palomino Puma 26RLSS

Mike Curtiss

WOW! There's real value in this 2012 Puma 26RLSS by Palomino that is in "Like-New" condition at a Pre-Owned price. Spotless inside, I just know you'll be impressed by the sharp interior & fantastic condition it's in. A super slide-out in the kitchen/living room makes it plenty spacious while multiple large windows allow for dynamite natural lighting inside.
