

Auto Shop Help Wanted (,2639. USD)

Location **Pennsylvania**
<https://www.genclassifieds.com/x-561129-z>

Obrien's Tire and Auto Service center is looking for an experienced mechanic to join our team.

Ideal candidate would be hard-working, punctual, and dependable, have their own tools, State/Emissions Certification (if you don't have this BUT you do have many years of experience or other certification, we may make exceptions- candidates with valid certifications would be given preference) and be able to perform the following duties:

- Major and Minor repairs
- State Safety/Emissions Inspections
- Electrical repairs
- Vehicle Diagnostics
- Operating tire mounting and balancing machine
- Driving to pick up parts, tires, or vehicles
- Cleaning the shop

This posting is for a short term 'gig'- day by day at first. However if you work well with our team there will be more opportunities.

Gig requirements:

YOU MUST HAVE EXPERIENCE IN AUTOMOTIVE

This is an immediate position, we need someone who can start right away with no training

You must have a valid drivers license

You must have your own tools

able to work alone

STATE SAFETY CERTIFICATION OR A STATE CERTIFICATION

You must have experience with automotive repairs.

Please do not reply if you are looking for an apprenticeship.

Able to work between 7am to 6pm during the week and Saturday 7am to 5pm

(as needed, not for the entire duration)

If you are interested in this gig, send me a short email about yourself and your experience with contact information. Email is preferred, but if you would like to follow up on

your email, call the shop during business hours, 8 to 6
