

Car Stereos, Alarms, remote starts and More (King of Prussia)

Location **Pennsylvania**
<https://www.genclassifieds.com/x-561240-z>

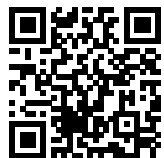

If you are looking to upgrade the stereo in your vehicle then look no further. We specialize in car radio's, speakers, amps, navigation systems, remote starts and security, backup cameras, satellite radio, video systems, custom fiberglass sub woofer enclosures and much more! I have ten years experience working on a wide range of vehicles from high end to your average everyday car or truck. I take pride in my work and I try to make sure every customer is more then satisfied. Please email me at or call for a free estimate. You can also see pictures of custom jobs I have done at www.facebook.com/autosolutions or follow us on instagram @autosolutionspa
